FRESHEN UP

Spring's bright colors and cheery prints are sprouting up everywhere! Here are a few of our favorite fresh picks for the home:

1. GETTING BENCHED

Whether for sitting, setting, or simply making a statement of style, this bench by John Black for Councill Furniture pairs modern form with traditional function. The mint leather adds a refreshing twist to the classic mahogany frame (starting at \$2,464 in leather). From deCondé's, 270 E. 100 South, SLC.
