Council

John Black is famous for latter-day takes on period furnishings, and his favorite weapon is color. The exterior of the Macassar ebony **Chest** hints at this fancy, but when opened, the brilliant Cornflower finish leaves no doubt. There are five standard finishes for the exterior: Caversham, Dover, Richmond, Aubergine, and Filbert; and 37 contrasting colors for the interior. PO Box 398, Denton, NC 27239; 336-859-2155; council.com. **circle 555**
